Internationally acclaimed Decor & More Inc. stays on top

TORONTO, April 4, 2008

The 11th Annual Canadian Events Industry Star Awards, recognizing outstanding achievements in Canadian special events, meeting management, conference planning and exhibition management, were held last night at Circa nightclub, and Oakville based Decor & More Inc. (“D&M”) was a regular onstage, garnering three Star Awards.

D&M took top honors in the following categories:

I. Best Theme Décor over \$30,000

For the fourth of the past five years, D&M won this highly competitive, and coveted, award. “Putting on the Ritz” was designed and produced for CasinoRama. Inspired by tuxedos, top hats and the dapper days of yesteryear, the event was sassed up with modern accents. Bold black and white stripes were used throughout the room including massive vignettes, chair covers and photo ops, popping with fuchsia, bringing sophisticated flair. Sequined shades atop interior lit flask vases filled with sparkle and surrounded by feathers, jewels and greenery made for unique centerpieces. On bars and buffets sexy custom leg lamps added the perfect playful touch to this chic New Years Eve event.

II. Best Table Center

For the third year in a row, D&M won this category for their stunning “Floral Fantasy Wedding.” Inside the elegant Four Seasons Hotel (Toronto), D&M was contracted to design and create a wedding oozing in elegance. The Floral Fantasy captured the essence of this couple’s tastes and high profile social status. D&M combined a traditional ivory palette with modern elements including ice sculptures, Lucite, linear crystal and silver pieces...all layered in luscious organic elements. Thousands of bianca, akito and nova zamba roses, white peonies, cymbidium and dendrobium orchids, amaryllis, ecuadorian hydrangea, rubrum lilies filled the space in unprecedented grandeur.

III. Best Tradeshow Booth

Taking top honors for the third consecutive year in this category, D&M was recognized for “Imaginarium.” An oasis of tranquility within a chaotic two day tradeshow for the Canadian Meetings & Incentive Expo. Tourism Toronto wanted guests to experience an escape from all the noise of the show, with a purpose of creating a “soft sell” meeting space. The color palette was cool and crisp in white, silver/steel and green with elements of waters, blooms and greenery and sophisticated furnishings. The walls were lightly frosted Lexan with graphics in white, displaying trees with falling leaves all assembled with a metal sleek frame and clip system, allowing for maneuverability of design in various cities.

Leslee Bell, Founder and Co-President, commented “This is one of those incredible years that, in our 19 years as a company, truly stands apart! Our clients continue to demand the very best in creativity, and we love to be pushed to create new experiences, but this is the most exciting chapter of our company’s history. We truly have the best creative and production talent in the industry, and while I love to dream, it’s the passion of our team that drives our success.”

“While our clients sing our praises regularly, which we certainly cherish, it remains an incredible honor for all of our team to be recognized by industry leaders as being the best at what we do,” adds Dan Noot, Co-President. “If you look at the range of events we have won, over the years you see huge creativity, with completely different looks, but all executed phenomenally. It’s 100% the result from our entire team working seamlessly with our clients.”
