### **Most awarded event company recognized for “Best Table”**

TORONTO, March 7, 2007

Biz Bash Toronto’s inaugural “Event Style Awards” were held last night at the Direct Energy Centre in Toronto, and Decor & More Inc. continued its leadership position in the special events industry, winning the prestigious Best Tabletop Design category.

D&M’s “Evening with the Vanderbilts” event, customized for CasinoRama in December, 2006, featured stunning room décor inspired by The Biltmore Estate, taking this client appreciation event to an unforeseen level.

Leslee Bell, Co-President and Chief Creative Officer accepted the award, and commented, “Our gratitude to our wonderful client, CasinoRama! They continue to challenge us to create the ‘what’s next’ in events. While we designed a massive space with a variety of custom-built décor, the tables were exquisite in every detail. Thanks to a client that inspires our team to create the extraordinary and thanks to our table and floral designers for delivering to CasinoRama a look that captivated all of their valued clients.”

The specifics of the table design began with 58 custom-made oval tables measuring 16’x5’ and seating 16 at each. Rather than a “cookie cutter” in appearance, D&M chose unique yet complementary era-specific fabrics including striped and pin dot linens. Atop of this, a runner in a gold floral on burgundy was designed in a bell pull style.

The next layer of design and décor wasn’t a mere centerpiece, rather, tablescapes were developed. These over-the-top designs included two 36” high antique gold candelabras. Lush florals of roses, burgundy callas, rose coloured pepper berries and cut pomegranates graced the top and a bed of evergreens running the length of the table featured 6 additional florals in gold containers and amber mosaic and gold hurricane style candle holders. Additional amber cut glass votives, renaissance style ribbon and beautiful ornaments made for a lush full table. With the 8 florals per table, each couple had a centerpiece to take home.

Final details, taking an elegant look to absolutely stunning, included crystal chandeliers hung from above over each table, and gold plated goblets and charger plates.
